--------	--------	--------

Did you save a life today? How? SARs, visitors who were disoriented, unprepared, risk taking, etc. (Daily Logs are viewable by all Patrollers and Rangers.)

White out conditions much of Sunday. We redirected visitors who had summer trail maps from the JVC and were looking for the Skyline trail.

TOTAL CONTACTS: *50*

Work and training done today *Navigation drills.*

All poles and all signs are in and accounted for.

Myrtle Falls poles remain at request of Ed.

Park inventory (radios, trucks) returned to Ed.

Locations needing attention, procedural changes, supplies

Thank you Ed, Brian, Deira, Laura, Sherry, Hugh and Ray, good work!!!

Have a terrific summer!
